Transformation for a New Creation:

Teilhard de Chardin & Beatrice Bruteau

Rev. Stephen Coffey, OSB Cam

This weekend retreat will explore the mysticism of two of the 20th century's profound spiritual mentors: the French Jesuit scientist Teilhard de Chardin & the American philosopher & contemplative practitioner Beatrice Bruteau. Her theology rests on Teilhard's vision. Whereas Teilhard saw the grand cosmic scheme of Christ in evolution, Beatrice developed an understanding of the human person in evolution. She invites us to participate in the divine ecstasy that leads to personal transformation and a new creation. Stephen Coffey is a monk of the Camaldolese Benedictine Congregation engaged in ministries of spiritual direction, retreats, and adult faith formation. He lives at the Monastery of the Risen Christ in San Luis Obispo. Reading Beatrice Bruteau's *The Holy Thursday Revolution* before the retreat is helpful but not necessary.
