Journeyman Presents: *Along the Way ~ Art of the Camino*

**Peter Hlavin ~ Journeyman, Songwriter,
Visual Artist, Producer**

Peter Hlavin (a.k.a. Journeyman) is a songwriter and visual artist. Inspired by his 500-mile Camino de Santiago journey, Europe's most important pilgrimage, he produced an album of Camino-themed songs titled "Along The Way" based on his personal 500-mile Camino de Santiago journey, shaped by Camino lore and the experiences of other Camino travelers. Artwork & songs complement his journey from the beginning of "The Way," the Camino's most popular route, to its destination, the city of Santiago de Compostela, Spain. Peter also embarked upon another ambitious "Camino Project" by creating artwork to complement his songs and include paintings and mixed media constructions. Join Journeyman for a Camino artwork showing, including paintings, storytelling, and song. Visualize and immerse yourself on your own personal journey and let the spirit of the art and songs touch your soul and carry you "Along The Way".

Following a career, Peter received a "calling" to walk El Camino de Santiago in Spain, the oldest and most important pilgrimage in Europe. Most unexpectedly, Peter's Camino revealed a calling to create & produce songs and artwork, based on life journeys physical, spiritual, or otherwise. He is called to share his journey experiences and those of others in song. The "Camino Project" was born and Peter, as artist, took on the name JOURNEYMAN.
