Explore the Intersection of God, Nature & You: Spiritual Considerations for Eco-action

Chantel Zimmerman

Is God the ultimate environmentalist? If God *is* eco-friendly, and we are created in God's image, what does that say about us? Spend an afternoon considering God's creation in a new light and identify your impact on it. During the day you will enjoy nature, moments of silence, experiential activities, and group discussion. *You may wish to bring a journal.*

Cost: \$10
