Beautiful Handmade Quilt

"East Meets West"

This quilt takes its name from the stunning array of hand pieced fans. East & West come together in harmony and elegance -- the East in the richly detailed Asian themed fabric, and the West in the distinctly American pattern "Grandmother's Fan" style of quilting. Senu, the Japanese word for fan, is a symbol of breath, change and spirit-moving. The Spirit flows even to the back of this quilt! It features Asian fabric won at the South Bay Quilt Guild Show and donated to the Mary & Joseph quilt group!

Special Thanks to the Mary & Joseph Quilters
