Walking Our Landscape

Sue Ballotti

This day workshop offers two guided labyrinth walks, each featuring a different style of walk with a theme of *landscape*. By paying attention to the natural elements of our outer landscape (geography, air, sound, trees, water, stone) we allow nature to renew & surprise us. Explore inner *landscape* using silence, reflection, scripture, art, group activity and sharing. Mystery and discovery unfold in the meeting of the visible and invisible in the sacred space of a Labyrinth walk. Sue is a spiritual director, retreat facilitator & docent for labyrinth walks at MJRC. She is an active pilgrim walker and walked the Camino in Spain in 2015.
