## Choose Life Then... That You & Your Descendants May Live

~Deuter: 30.19

Fr. Pat Crowley, SSCC

"The word road sums up one of the deepest experiences of human beings as they confront the task of life. Life is never a given, it is always a task, something that must be done and carried out. We do not live simply by not dying. We walk toward life. To live is to walk. Walking assumes that there is a road." ~ Leonardo Boff.

This retreat will focus on the "the gift of life," "the suffering of the human condition," and God's "compassionate love" in Jesus. It will be a time of prayer, healing and reconciliation.

Fr. Crowley, is a member of the Congregation of the Sacred Hearts in the Western Region of the United States Province. He has been actively involved in the Healing Ministry for over forty years. Presently, he resides at the Community House in California.
