The prophetic brilliance of Bill Wilson... his inclusive and comprehensive perspective... are fully on display when looking at the circle & triangle: a fully integrated set of operating Principles for individual development and group interaction: **the practice of living.**

Background ~ Workshop Series 2021:

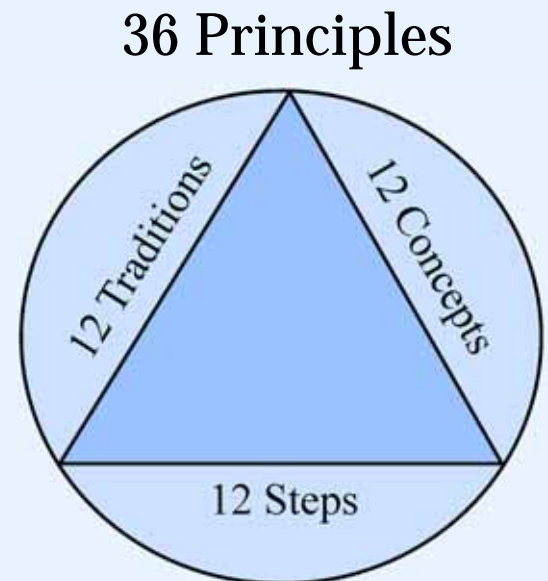

The **12 Steps** are Principles developed in 1939 as a method for the awakening of hopelessly addicted persons - both to get free of the addiction and also to empower them to cope and be in alignment with reality, as it actually is...

living life on life's terms. Herb K.'s Youtube contains the recorded monthly series of 2021 presentations on the **12 Steps: Path to Freedom.**

New Workshop Series 2022:

The **12 Traditions**, approved in 1950, established Principles for behavior within each group as well as between all groups. Many individuals have found these guidelines useful in their personal lives and relationships with others. Herb K. presents a monthly series on the **12 Traditions - January through June, 2022.**

The **12 Concepts**, adopted in 1955, are a set of guiding Principles for the operation of a nonprofit, spiritual organization. Herb K. presents a monthly series on the **12 Concepts - July through December, 2022.**
